

Full Life, Charlottesville VA ON SITE Counseling Intern

Full Life is a growing counseling group private practice that is expanding its team of Licensed Professional Counselors. We are recruiting for an intern in counseling or marriage and family therapy.

Our Culture

We are whole people doing effective work. In our quarterly staff meetings we alternate between director Hunter Teets showing recordings of his work in order to teach specific skills and book discussions that are relevant to our practice (recent books were *A Lion Tracker's Guide to Life* and *Radical Dharma: Talking Race, Love, and Liberation*). We approach training and growth with the ethos of rigor without shame. We also value our personal time and lives outside of work. In order to support this scheduling is very flexible and self directed so we can balance work and other aspects of our lives.

Our ideal candidate has the following credentials, skills and qualifications:

- Masters student in the area of counseling or marriage and family therapy.
- Willingness to train in new techniques and modalities. Full Life is rooted in experiential modalities. The director, Hunter Teets, is certified in Accelerated Experiential Dynamic Psychotherapy (AEDP) and this modality informs much of the clinical and supervisory practice.
- Record of thorough, efficient, and timely documentation.
- Willingness to grow and learn about many aspects of therapy across various ages and cultures.

Intern Roles and responsibilities:

- Seeing a caseload of diverse patients and keeping up with all associated paperwork.
- Recording sessions for review with on site supervisors.
- Intake duties, answering phone calls and emails for new patient inquiries.
- Administrative support and billing support for other therapists in the practice.
- Regular group consultation and collaboration for clinical work with patients.
- Regular staff lunches and staff meetings that focus on clinical and personal growth.

Send Cover Letter and Resume (inquiries remain confidential) to Hunter Teets at:
