

Full Life, Charlottesville VA ON SITE Licensed Professional Counselor Position

Full Life is a growing counseling group private practice that is expanding its team of Licensed Professional Counselors. We are recruiting for a full time Licensed Professional Counselor (LPC) or Licensed Marriage and Family Therapist (LMFT) who is eligible to provide supervision towards licensure.

Our Culture

We are whole people doing effective work. In our quarterly staff meetings we alternate between director Hunter Teets showing recordings of his work in order to teach specific skills and book discussions that are relevant to our practice (recent books were *A Lion Tracker's Guide to Life* and *Radical Dharma: Talking Race, Love, and Liberation*). We approach training and growth with the ethos of rigor without shame. We also value our personal time and lives outside of work. In order to support this scheduling is very flexible and self directed so we can balance work and other aspects of our lives.

Our ideal candidate has the following credentials, skills and qualifications:

- Masters level degree in the area of counseling or marriage and family therapy.
- VA LPC or LMFT, two years post licensure and eligible to provide supervision toward LPC and LMFT residents.
- Experience with eating disorders and couples desired.
- Willingness to train in new techniques and modalities. Full Life is rooted in experiential modalities. The director, Hunter Teets, is certified in Accelerated Experiential Dynamic Psychotherapy (AEDP) and this modality informs much of the clinical and supervisory practice.
- Record of thorough, efficient, and timely documentation.
- Willingness to grow into a role of supervisor and operations director.

What We Offer:

- \$55,000-65,000 wage annually (depending on hours, experience, etc.), some profit sharing, full time employment in a friendly working environment.
- W-2 position with health care benefits (we pay 50% of Health Insurance).
- Salary commensurate with skills and experience, with annual review.
- PTO (paid time off), paid holidays and training allowance.
- Administrative support.
- Regular group consultation and collaboration for clinical work with patients and supervision of supervision.
- Regular staff lunches and staff meetings that focus on clinical and personal growth.
